AMPAIGN AGAINST RAILROAD ACCIDENTS

L EMPLOYES ARE ASKED TO USE UTMOST CAUTION FOR TWO WEEKS TO AVOID ANY INJURIES.

Two million railroad employes roughout the United States are now the midst of an intensified cam- ign against accidents—the National ailroad Accident Prevention Drive. or two weeks, ending at midnight riday, October 31, caution and care ill fight for a record clear of injuries nd fatalities, which might have been voided, on every railroad under gov- rnment control.

Men and women, officers and em- loyes, on the road, in shops, round- ouses stations and offices along ome 231,000 miles of railroad in ev- ry part of the country are involved, nd time will be required to assemble nd compile reports.

The purpose of the drive is to elim- nate so far as is humanly possible he avoidable accidents which con- stantly take a distressing toll of life and limb on the railroads, and thus to demonstrate what caution would mean if practicod day in and day out in the operation of the railroads. Previous campaigns conducted in regions and on individual railroads have given an idea of what can be done The great nation-wide movement is designed to produce a more forcible demonstra- tion, and with the co-operation of in- dustries along the railroads, shippers, state and municipal authorities and the public generally, to bring the les- son home to everybody.

During the third week of last Jan- uary the first of the regional safety demonstrations was staged in the southern region, with the remarkable result of eighty per cent reduction in accidents compared with the same week of January 1918. This record has not been equalled in the other re- gions and the southern railroads have gone into the national competition determined to stay at the top.

To stimulate southern region em- ployes in their fight for the record as the region of safest railroads, B. L. Winchell, regional director, with headquarters in Atlanta, has of- fered a handsome silver cup to be awarded to the employes of the group of lines showing the smallest number of accidents during the two weeks. There are eleven groups of railroads in the region, and the cup—known as "The Southern Region Trophy"—will be awarded upon the basis of the re- ports of the eleven federal managers. The trophy is now on display in At- lanta.

While the drive is on daily reports from all railroads are being made to C. M. Anderson, regional supervisor of safety, Atlanta.

Indicating the interest being taken in the safety drive by the employes of the Florida East Coast road, S E. Wyllie, local agent has received the following telegram from J. P. Beck- with, federal manager:

"Pleased to advise not a reportable personal injury sustained on the en- tire line Oct 18th to 22nd, inclusive. Employes doing splendidly."

RECEPTION FOR SCHOOL TEACHERS THIS EVENING

A public reception for the teachers of the New Smyrna public schools will be held in the auditorium of the school building this evening, begin- ning at 8 o'clock, and a cordial invi- tation is extended to all patrons and friends to attend the reception and get acquainted with the members of the public school faculty. An inter- esting program has been arranged for the occasion.

At a meeting of those interested in the matter held last Friday afternoon the following committees were named to have charge of the arrangements for the reception:

Advertising Mesdames E. M. Lit- tle, W. H Newell and S. Ross.

Program Mesdames E. L. Greer, W. C Chowning and Miss Rosalie Dortch.

Refreshments Mesdames W L. Riley, T. L. Howell, J. R. Mathews. Earl Murray.

Decoration - Mesdames J. W. Rowe, H. A. Jernigan, S. M. Jones, Altman.

Serving—Mesdames W. C. Chown- ing, J. S. Shoesmith, M. E. Langford, S. Ross. Earl Murray, C. J. Norman.

Reception—Mesdames E. M. Little, Jack Darling, G. M. Marshall, W. C. Chowning, J. S. Shoesmith, L. B. Wat- son, G. W. Marks.

STATE OFFICIALS ARE ON WATERWAY TRIP

ATTORNEY GENERAL AND STATE ENGINEER HERE YESTERDAY ON TRIP OF INSPECTION OF CANAL.

Attorney General Van C. Swearin- gen and F. C. Elliott, chief engineer for the state, are again making a trip through the inland waterway to de- termine the exact condition of the canals and gather evidence to be used in the suit of the state to compel the canal owning company to put and keep the canal in condition for use or surrender the franchise now held. This suit has been pending in the state supreme court since long before Swearingen took office as attorney general.

Messrs. Swearingen and Elliott went to Miami some time ago for the purpose of making the trip up the in- land waterway, but arrived there just in time to get caught in the hurricane and storm which visited Key West and the south part of the state and the trip was postponed because of the damage done by the storm.

They were in New Smyrna yester- day enroute from Miami to Jackson- ville, having left Miami Monday after- noon, making the trip on the state boat, the Transit. Soundings were taken along the trip to determine the varying depths and measurements were also taken to determine the vary- ing widths of the canals, the grant from the state calling for the canals to be maintained at a depth of five feet and a width of 50 feet.

Recently a statement was made by Engineer perkins for the canal com- pany that the canal will be kept in condition this winter for the passage of boats; that two dredges will be kept constantly at work, one south of Palm Beach and one north of Palm Beach and the channel will be kept cleared at all times.

Attorney General Swearingen said yesterday that their soundings from Miami to New Smyrna showed the waterway in better condition than it was when they made their trip of in- spection last spring.

A Pleasant Reunion

St. Augustine Record: In honor of the birthday of Mrs. J. J. Treadwell, members of the Bible class of which Mrs. Treadwell was teacher in Grace Methodist church Sunday school sev- eral years ago, gathered Friday even- ing at the home of Mr. and Mrs. Vin- cent D. Capo on San Marco avenue. October 18th happens to be the birth- day of Mrs. W. J. Grant as well, so she also had a share in the celebra- tion. Mr. Treadwell conducted for some time very successfully this Bible class, and although he has been ab- sent from St. Augustine for a long time filling pastorates at South Jack- sonville. New Smyrna and Atlanta, members of the class have been more than loyal to both him and Mrs. Treadwell, for whom they have the greatest degree of esteem and regard. Mr. Treadwell is now superintendent of this district of the St. Johns river conference of the Methodist church, and although he is able to be in St. Augustine at frequent intervals, it was especially wished that this class reunion take place on the occasion of Mrs Treadwell's birthday. Motoring over for the affair were Mr. and Mrs. Wilbur Swain of South Jacksonville and Mrs. J. L. Edwards of Jackson- ville. Refreshments were served dur- ing the evening, Mrs. S. W. McCarl presiding at the punch bowl. This was the most delightful of informal parties, and among those present were Mr. and Mrs. Wilbur Swain, Mrs. J. L Edwards, Mr. and Mrs. J. G. Home, Mr. and Mrs. Frank J. Parker, Rev. and Mrs. J. J. Treadwell, T. J. Mar- shall, George Grumble, Mrs. R. K. Nuzum, Mrs. B. M. Hall, Mrs. S. W. McCarl, Mr. and Mrs. E. E. Malette, Mrs. W. J. Grant, Mr. and Mrs. Vin- cent D. Capo.

After those Bridges

Sanford Herald: Rome fiddled while Nero burned or something of the kind. DeLand and west Volusia will continue to fiddle while New Smyrna district builds a free bridge and cuts out practically all the travel by way of DeLand and Daytona. It seems to be up to the DeLand Commercial club to see that DeLand and west Volusia with the help of Seminole and Lake counties, both of which have already agreed to do their share. Establish a free bridge over the St. Johns at a point at or near Harden ferry.

They're growing all the time

SET CLOCKS BACK TOMORROW NIGHT

OFFICIAL CHANGE IN TIME WILL COME AT 2 O'CLOCK SUNDAY MORNING, SO REGULATE YOUR TIMEPIECES.

When you retire tomorrow night be sure to turn the hands of your clock back one hour in compliance with orders from Uncle Sam. If you don't comply with this order you will be an hour ahead of the balance of the United States when you get up in the morning, you'll be too early for breakfast, too soon for dinner and too fast for any general use.

Unless you are up later than you have any license to be up the official time change will come while you are lost in the land of Morpheus—at 2 o'clock Sunday morning, and every- thing will be regulated by time an hour slower Sunday morning.

This is in accordance with the pro- visions of the daylight saving law, which provides that all clocks shall be set ahead one hour in the spring and turned back one hour the last Sunday in October. This law has been repeal- ed by congress, so there will be no more monkeying with the clocks after the change back to slow time next Sunday morning.

Services in the churches will be con ducted on the new slow time Sunday.

Official notices have been sent to of- ficials and employes of the Florida East Coast railroad to observe the change in time and be particular to set their watches back Saturday night.

The time of the sessions in the pub- lic schools will be set back one hour beginning Monday morning, but the schools will be operated on the same sun time as they have been since the opening. At present the morning ses- sion begins at 9:30 o'clock, but begin- ning Monday the morning session will begin at 8:30 o'clock and the schools will be dismissed for the noon hour at 12 o'clock instead of 1 o'clock.

AMERICAN LEGION MEETING TUESDAY

The regular meeting of the New Smyrna post of the American Legion will be held next Tuesday night in the public school building and it is urged that every member of that organiza- tion make a special effort to attend this meeting. All service men are el- igible to membership in the American Legion and the local post is anxious to have every service man in this city and vicinity become affiliated with the post.

ARMISTICE DAY TO BE OBSERVED HERE

LOCAL PEOPLE WILL BE GIVEN OPPORTUNITY TO CELEBRATE FIRST ANNIVERSARY OF CLOSE OF WAR.

That the patriotic spirit of Armis- tice day may be demonstrated in New Smyrna and that the people of this city and vicinity may be given an op- portunity to celebrate the first anni- versary of the date which marked the real end of the world war, a move- ment has been started for a patriotic celebration to be held here November 11th, which is a legal holiday in this state.

Practically every city and town in the state is now preparing for a pa- triotic celebration to be held that day and New Smyrna and her people are not less patriotic than other commun- ities.

In order to make the celebration a general one and provide a form of en- tertainment which will be suited to all the people and can be enjoyed by ev- eryone, the proposition will be taken up jointly by the local post of the American Legion, the New Smyrna Motor club and the New Smyrna com- pany of home guards, a committee from each organization to have charge of the preparations and arrangements for the celebration.

Further announcements will be made after these committees have been appointed and the general com- mittee organized.

GOVERNMENT SEEDS TO BE SENT DEC. 1

The News is in receipt of the fol- lowing letter from Senator Duncan U. Fletcher:

"I am receiving a great many re- quests for seed furnished members of congress by the United States dpart- ment of agriculture for free distribu- tion, and in order that you may be in- formed beg to say that the department advises me the seed will not be avail- able for distribution this year until about December first, at which time I shall be very glad to forward an assortment to those whose requests have been received. The department places an assortment of seed in each package, thus making it impossible to supply a quantity of a particular kind."

"Uncle Billy" Laws was over from Orange City Wednesday and Thursday looking after property interests. He and his family have recently returned to Orange City from Hendersonville, N. C., where they spent the summer.

DINNER TONIGHT TO DISCUSS Y. M. C. A.

STATE COUNTY ORGANIZER TO BE HERE TO ADDRESS MEN OF THIS CITY AT SPREAD AT PAL- ACE CAFE.

For the purpose of discussing the advisability of joining in the move- ment to form a county Y. M. C. A. organization and to hear the plans and objects of the work thoroughly explained, a number of the men of the city will attend a dinner at the Palace cafe at 8:30 o'clock tonight and the meeting will be addressed by L. F. Cilley, who is in charge of the county organization work in this state.

The meeting and dinner to be held tonight was planned at the meeting held last week Thursday night, when a number of the business and profes- sional men gathered to meet Howard Hubbell, who is in charge of the Y. M. C. A. work in Florida, and hear him tell of the plans for work in this county.

The general plan is to employ a county Y. M. C. A. secretary who will devote all of his time to the work in Volusia county with the idea of pro- moting clubs among the students in the schools, directing community mass play among the youth, the establish- ment of camps and many other ac- tivities in which all boys are inter- ested. Mr. Cilley has had much ex- perience in the organization of county units and will be able to tell of the activities and experiences in other communities. All parents of boys should be much interested in the prop- osition for the employment of a coun- ty secretary who will help in solving some of the boy problems of this com- munity.

Dr. Dean Smith of Daytona, recent- ly elected head of the Volusia county preliminary organization, is also ex- pected to be present at the dinner to- night to talk to the men assembled.

DELEGATES NAMED TO STATE W. C. T. U.

At the regular meeting of the local W. C T U held last Monday after- noon delegates were named to attend the state convention to be held in Gainesville Nov. 4th, as follows: Mes dames E. J. Westall and J. R. Math- ews. Mrs B. F. Green will attend the convention as the state secretary for the Loyal Temperance Legion. The next meeting of the W. C. T. U. will be held the first Monday in November with Mrs. C. A. Roach.

George Crane was down from Day- tona on business Tuesday.

SUNDAY AFTERNOON CONCERT BY BAND

CORDIAL INVITATION EXTENDED TO EVERYBODY TO ENJOY THE OPEN AIR MUSICAL ENTER- TAINMENT.

The first of the regular Sunday af- ternoon open air concerts by the New Smyrna band will be given next Sun- day afternoon, beginning at 4 o'clock, and a cordial invitation is extended to everybody to listen to the concert, which will be given in the bandstand on Canal street.

For some time the band has been planning and working to the object of giving regular open air concerts for the entertainment of the home people and visitors and a canvas has deter- mined that Sunday afternoon will be the most convenient and pleasant time for a majority of the people to enjoy the concert. Consequently, beginning next Sunday the band will give an open air concert each Sunday afternoon, beginning at 4 o'clock, un- til the first of December. If, by that time, there is a sentiment favoring a change to evening concerts the time will be changed, but if a majority of the people prefer the concerts to be given Sunday afternoons the concerts will be continued at that time.

The length of time these concerts will be continued will depend entirely upon the encouragement and support given by the public. The members of the band are all local business men who are willingly donating their time for practice and preparation in the ef- fort to provide the people of New Smyrna with a form of entertainment during the winter months which can be enjoyed by all classes. So long as there is manifested a spirit of ap- preciation for these efforts the play- ers are willing to continue these en- tertainments.

Miss Mary Connor, musical director of the band, has prepared the follow- ing program for the first concert next Sunday afternoon:

March, "Home Guards," Southwell.
Sacred Selection, No. 6, Fillmore.
March, "Kahki Bill," Watson.
Sacred Selection, No. 9, Fillmore.
Serenade, "A Night in June," King.
March, "Comique," Hall.
Waltz, "Hearts and Flowers," Te- bani-Lake.
"Star Spangled Banner"

COUNTY WOODMEN TO MEET HERE TONIGHT

The regular convention of the Vo- lusia County Woodmen association will be held in New Smyrna tonight and the local members of that society will be hosts to a large number of vis- tors on this occasion. The attendance wil be larger at this session than at any meeting the association has yet held as a special invitation has been extended to the Woodmen in Brevard county to attend this meeting as the guests of the association. An effort is being made to organize the whole East Coast section into an association of county organizations, but Brevard county has only three camps and they feel they are not strong enough to form a county association. They may decide to join the Volusia county unit.

Visitors will be here tonight from every camp in Volusia county and one of the features of the gathering will be the initiation of a large class of candidates. Refreshments and a social time will follow the initiation ceremonies.

REV. A. B. CRISTY TO BECOME PASTOR HERE

Rev. A. B. Cristy of Painesville, O., has accepted a call to become pastor of the New Smyrna Congregational church, succeeding Rev. R. A. George, who is now pastor in Memphis, Tenn., and the new pastor will arrive here in time to take up his pastoral duties the first of next month, conducting his first services Sunday, Nov. 2.

Draw Heavy Sentences

On the charge of operating an au- tomobile while intoxicated, Morris Wilson and Clarence Goodrich, two Oak Hill boys of good family, have been given road sentences by Jus- tice W. H Newell of New Smyrna, says the DeLand News. The boys are reported to have filled up on beef, iron and wine, the labels on the bot- tles showing the dope contained 20 per cent alcohol, and to have operated their car in a manner dangerous to others as well as to themselves. Wil- son was given six months and Good- rich three months on the county road gang, without the option of paying their fines.

PUBLIC SCHOOL NOTES

Report cards will be handed out next Wednesday

The wearing of skull caps has become quite a popular fad with the high school boys during the last few days

Because of dividing the eighth grade the pupils of the sewing class have had to move their class to the library in the south end of the hall

Every pupil in school was asked today to make a contribution for the purpose of erecting a national memorial for our late ex president Theodore Roosevelt

Mrs Victor Newell was confined to her home last Friday with an attack of ptomaine poisoning Mrs G W Marks substituted for her as teacher of the fourth grade

A general cleanup was made in the physics laborotory Thursday Things were pretty well upturned but after the members of the physics class got through things looked pretty nifty

A new bench will soon be placed on the grounds near the tennis court for the use of the tennis fans as soon as the new court is completed The bench was made by Howard Mathew in the manual training department

Corrugated rubber matting has recently been placed on th in line to the auditorium and this makes it much easier to negotiate the ascent

Heretofore it has been quite a task to get up because of the slipperine

There has been considerable talk in the high school lately about ... school paper ... monthly ... school paper would add much to the spirit of the school ... you are booster ... movement

The ... all boys are practicing daily out on the field and are planning for a game soon with the railroad boys Judging from the pep the boys are putting into the practice it doesn't look like the railroad boys have much of a show

Herbert Fuller who has been out of school for the last three weeks on account of illness is improving nicely according to reports Herbert has had a tough time of it but it is said he will be with us again in another week

The note books for pupils of the history class arrived last Friday and their arrival has kept the pupils pretty busy catching up with the last month's work From expressions one might judge a majority of the pupils were not very glad to have them arrive

The end of the first month of school comes today with the largest enrollment in the history of the school The enrollment today is 390 as compared with 335 last year at this time The increase in enrollment has been steady each year and if it continues in the future as in the past another building will soon have to be provided

There has been some confusion over the arrangement of the manual training classes because of the large number of boys who desire to take the work but permanent arrangements have now been made Mr Kane will be pretty busy for he will have every period in the day except the first one

Rev William B Hays was added to the faculty this week making a total of 14 Mr Hayes will teach the three Latin classes the botany class and the history class Several changes have been made in the assignments of teachers during the last week re arrangements made necessary by the lack of teachers but it is thought the class assignments made Wednesday will be permanent

There seems to be quite an attraction in the north end of the hall just lately The writer can't say exactly what it is but thinks most any of the other high school boys can tell you about it Whatever it is it seems to be making the boys wear stiff collars and elaborate ties If you really want to know about it ask Chop why he has been so dressed up the last few days He'll tell you all about it

There was quite a bit of applause in the study hall Wednesday when Miss Dortch announced that the faculty would give a Halloween party for the pupils of the high school on Halloween night No d fin te ... have yet been announced except that it will be held in the school building ... says this is only a plan to keep us out of mischief but we should worry so long as we have a good time and we have already made up our minds to do that

There was quite some excitement under the windows of the domestic science room during the noon hour Tuesday while some of the boys were selling ice cream from the window Yes there was some excitement and it seems the big ones got the ice cream However the proceeds amounted to about $2 which will be turned over to the boys who are building a tennis court in the rear of the building This was merely an experiment but because of the success the boys had they have decided to repeat the experiment twice a week

... beginning next week

The following program ... prepared for ... literary society ... Friday evening ... November

The Story of a Turret Captain

Promotion in the Navy comes quickly to those who qualify for higher ratings In March 1899 A P Nilsson enlisted in the Navy as an Apprentice Seaman 3rd class In April 1907 he was rated Chief Turret Captain His pay today is $165 76 per month.

A man's life – among men!

Reel them off—"Rio", Gibraltar, Ceylon, Yokohama—all the great ports of the world—are they only places on the map to you—or are they ports where you've gone sailing in from the high seas with every eye along the shore turned admiringly on your big ship—*your* ship! Every ocean has a United States ship sailing for some port worth seeing

If you've any call in you for a full life—join, and color all your years ahead with memories of things worth seeing—with knowledge worth having—with an inexhaustible fund of sea tales and adventures picked up ashore and afloat that will make you a welcome man in any company.

Work?—sure, and a man's work it is, among men.

Play?—well, rather, with a bunch of men who know how to play. These comrades of yours carry in their ears the sounds of great world cities, of booming guns of swashing seas—sounds you will share with them and that will never die away

And when you come home, you'll face life ashore with level eyes—for Uncle Sam trains in *self-reliance* as well as self respect The Navy builds straight *men*—no mollycoddles

Enlist for two years Excellent opportunities for advancement Four weeks holidays with pay each year Shore leave to see inland sights at ports visited Men always learning Good food and first uniform outfit free Pay begins the day you enlist Get full information from your nearest recruiting station If you do *not know where* the nearest recruiting station is, ask your Postmaster He knows

Shove off! - Join the U.S. Navy

THE Great War demonstrated something we shall never forget—the dollars-and-cents value of "fun." It was music and vaudeville and clean fun of every kind which gave our boys in France the "pep" that made them unbeatable. We will put the same "pep" into you.

AMPAIGN AGAINST RAILROAD ACCIDENTS

L EMPLOYES ARE ASKED TO USE UTMOST CAUTION FOR TWO WEEKS TO AVOID ANY INJURIES.

Two million railroad employes roughout the United States are now the midst of an intensified campaign against accidents—the National ailroad Accident Prevention Drive, or two weeks, ending at midnight riday, October 31, caution and care ill fight for a record clear of injuries nd fatalities, which might have been voided, on every railroad under government control.

Men and women, officers and employes, on the road, in shops, roundouses stations and offices along ome 231,000 miles of railroad in every part of the country are involved, nd time will be required to assemble nd compile reports.

The purpose of the drive is to eliminate so far as is humanly possible he avoidable accidents which constantly take a distressing toll of life and limb on the railroads, and thus to demonstrate what caution would mean f practiced day in and day out in the operation of the railroads. Previous campaigns conducted in regions and on individual railroads have given an idea of what can be done The great nation-wide movement is designed to produce a more forcible demonstration, and with the co-operation of industries along the railroads, shippers, state and municipal authorities and the public generally, to bring the lesson home to everybody.

During the third week of last January the first of the regional safety demonstrations was staged in the southern region, with the remarkable result of eighty per cent reduction in accidents compared with the same week of January 1918. This record has not been equalled in the other regions and the southern railroads have gone into the national competition determined to stay at the top.

To stimulate southern region employes in their fight for the record as the region of safest railroads, B. L. Winchell, regional director, with headquarters in Atlanta, has offered a handsome silver cup to be awarded to the employes of the group of lines showing the smallest number of accidents during the two weeks. There are eleven groups of railroads in the region, and the cup—known as "The Southern Region Trophy"—will be awarded upon the basis of the reports of the eleven federal managers. The trophy is now on display in Atlanta.

While the drive is on daily reports from all railroads are being made to C. M. Anderson, regional supervisor of safety, Atlanta.

Indicating the interest being taken in the safety drive by the employes of the Florida East Coast road, S E. Wyllie, local agent has received the following telegram from J. P. Beckwith, federal manager:

"Pleased to advise not a reportable personal injury sustained on the entire line Oct 18th to 22nd, inclusive. Employes doing splendidly."

RECEPTION FOR SCHOOL TEACHERS THIS EVENING

A public reception for the teachers of the New Smyrna public schools will be held in the auditorium of the school building this evening, beginning at 8 o'clock, and a cordial invitation is extended to all patrons and friends to attend the reception and get acquainted with the members of the public school faculty. An interesting program has been arranged for the occasion.

At a meeting of those interested in the matter held last Friday afternoon the following committees were named to have charge of the arrangements for the reception:

Advertising Mesdames E. M. Little, W. H Newell and S. Ross.

Program Mesdames E. L. Greer, W. C Chowning and Miss Rosalie Dortch.

Refreshments Mesdames W L. Riley, T. L. Howell, J. R. Mathews. Earl Murray.

Decoration—Mesdames J. W. Rowe, H. A. Jernigan, S. M. Jones, Altman.

Serving—Mesdames W. C. Chowning, J. S. Shoesmith, M. E. Langford, S. Ross. Earl Murray, C. J. Norman.

Reception—Mesdames E. M. Little, Jack Darling, G. M. Marshall, W. C. Chowning, J. S. Shoesmith, L. B. Watson, G. W. Marks.

ATTORNEY GENERAL AND STATE ENGINEER HERE YESTERDAY ON TRIP OF INSPECTION OF CANAL.

Attorney General Van C. Swearingen and F. C. Elliott, chief engineer for the state, are again making a trip through the inland waterway to determine the exact condition of the canals and gather evidence to be used in the suit of the state to compel the canal owning company to put and keep the canal in condition for use or surrender the franchise now held. This suit has been pending in the state supreme court since long before Swearingen took office as attorney general.

Messrs. Swearingen and Elliott went to Miami some time ago for the purpose of making the trip up the inland waterway, but arrived there just in time to get caught in the hurricane and storm which visited Key West and the south part of the state and the trip was postponed because of the damage done by the storm.

They were in New Smyrna yesterday enroute from Miami to Jacksonville, having left Miami Monday afternoon, making the trip on the state boat, the Transit. Soundings were taken along the trip to determine the varying depths and measurements were also taken to determine the varying widths of the canals, the grant from the state calling for the canals to be maintained at a depth of five feet and a width of 50 feet.

Recently a statement was made by Engineer perkins for the canal company that the canal will be kept in condition this winter for the passage of boats; that two dredges will be kept constantly at work, one south of Palm Beach and one north of Palm Beach and the channel will be kept cleared at all times.

Attorney General Swearingen said yesterday that their soundings from Miami to New Smyrna showed the waterway in better condition than it was when they made their trip of inspection last spring.

A Pleasant Reunion

St. Augustine Record: In honor of the birthday of Mrs. J. J. Treadwell, members of the Bible class of which Mrs. Treadwell was teacher in Grace Methodist church Sunday school several years ago, gathered Friday evening at the home of Mr. and Mrs. Vincent D. Capo on San Marco avenue. October 18th happens to be the birthday of Mrs. W. J. Grant as well, so she also had a share in the celebration. Mr. Treadwell conducted for some time very successfully this Bible class, and although he has been absent from St. Augustine for a long time filling pastorates at South Jacksonville, New Smyrna and Atlanta, members of the class have been more than loyal to both him and Mrs. Treadwell, for whom they have the greatest degree of esteem and regard. Mr. Treadwell is now superintendent of this district of the St. Johns river conference of the Methodist church, and although he is able to be in St. Augustine at frequent intervals, it was especially wished that this class reunion take place on the occasion of Mrs Treadwell's birthday. Motoring over for the affair were Mr. and Mrs. Wilbur Swain of South Jacksonville and Mrs. J. L. Edwards of Jacksonville. Refreshments were served during the evening, Mrs. S. W. McCarl presiding at the punch bowl. This was the most delightful of informal parties, and among those present were Mr. and Mrs. Wilbur Swain, Mrs. J. L Edwards, Mr. and Mrs. J. G. Home, Mr. and Mrs. Frank J. Parker, Rev. and Mrs. J. J. Treadwell, T. J. Marshall, George Grumble, Mrs. R. K. Nuzum, Mrs. B. M. Hall, Mrs. S. W. McCarl, Mr. and Mrs. E. E. Malette, Mrs. W. J. Grant, Mr. and Mrs. Vincent D. Capo.

After those Bridges

Sanford Herald: Rome fiddled while Nero burned or something of the kind. DeLand and west Volusia will continue to fiddle while New Smyrna district builds a free bridge and cuts out practically all the travel by way of DeLand and Daytona. It seems to be up to the DeLand Commercial club to see that DeLand and west Volusia with the help of Seminole and Lake counties, both of which have already agreed to do their share. Establish a free bridge over the St. Johns at a point at or near Harden ferry.

They're growing all the time

SET CLOCKS BACK TOMORROW NIGHT

OFFICIAL CHANGE IN TIME WILL COME AT 2 O'CLOCK SUNDAY MORNING, SO REGULATE YOUR TIMEPIECES.

When you retire tomorrow night be sure to turn the hands of your clock back one hour in compliance with orders from Uncle Sam. If you don't comply with this order you will be an hour ahead of the balance of the United States when you get up in the morning, you'll be too early for breakfast, too soon for dinner and too fast for any general use.

Unless you are up later than you have any license to be up the official time change will come while you are lost in the land of Morpheus—at 2 o'clock Sunday morning, and everything will be regulated by time an hour slower Sunday morning.

This is in accordance with the provisions of the daylight saving law, which provides that all clocks shall be set ahead one hour in the spring and turned back one hour the last Sunday in October. This law has been repealed by congress, so there will be no more monkeying with the clocks after the change back to slow time next Sunday morning.

Services in the churches will be conducted on the new slow time Sunday.

Official notices have been sent to officials and employes of the Florida East Coast railroad to observe the change in time and be particular to set their watches back Saturday night.

The time of the sessions in the public schools will be set back one hour beginning Monday morning, but the schools will be operated on the same sun time as they have been since the opening. At present the morning session begins at 9:30 o'clock, but beginning Monday the morning session will begin at 8:30 o'clock and the schools will be dismissed for the noon hour at 12 o'clock instead of 1 o'clock.

AMERICAN LEGION MEETING TUESDAY

The regular meeting of the New Smyrna post of the American Legion will be held next Tuesday night in the public school building and it is urged that every member of that organization make a special effort to attend this meeting. All service men are eligible to membership in the American Legion and the local post is anxious to have every service man in this city and vicinity become affiliated with the post.

ARMISTICE DAY TO BE OBSERVED HERE

LOCAL PEOPLE WILL BE GIVEN OPPORTUNITY TO CELEBRATE FIRST ANNIVERSARY OF CLOSE OF WAR.

That the patriotic spirit of Armistice day may be demonstrated in New Smyrna and that the people of this city and vicinity may be given an opportunity to celebrate the first anniversary of the date which marked the real end of the world war, a movement has been started for a patriotic celebration to be held here November 11th, which is a legal holiday in this state.

Practically every city and town in the state is now preparing for a patriotic celebration to be held that day and New Smyrna and her people are not less patriotic than other communities.

In order to make the celebration a general one and provide a form of entertainment which will be suited to all the people and can be enjoyed by everyone, the proposition will be taken up jointly by the local post of the American Legion, the New Smyrna Motor club and the New Smyrna company of home guards, a committee from each organization to have charge of the preparations and arrangements for the celebration.

Further announcements will be made after these committees have been appointed and the general committee organized.

GOVERNMENT SEEDS TO BE SENT DEC. 1

The News is in receipt of the following letter from Senator Duncan U. Fletcher:

"I am receiving a great many requests for seed furnished members of congress by the United States dpartment of agriculture for free distribution, and in order that you may be informed beg to say that the department advises me the seed will not be available for distribution this year until about December first, at which time I shall be very glad to forward an assortment to those whose requests have been received. The department places an assortment of seed in each package, thus making it impossible to supply a quantity of a particular kind."

"Uncle Billy" Laws was over from Orange City Wednesday and Thursday looking after property interests. He and his family have recently returned to Orange City from Hendersonville, N. C., where they spent the summer.

DINNER TONIGHT TO DISCUSS Y. M. C. A.

STATE COUNTY ORGANIZER TO BE HERE TO ADDRESS MEN OF THIS CITY AT SPREAD AT PALACE CAFE.

For the purpose of discussing the advisability of joining in the movement to form a county Y. M. C. A. organization and to hear the plans and objects of the work thoroughly explained, a number of the men of the city will attend a dinner at the Palace cafe at 8:30 o'clock tonight and the meeting will be addressed by L. F. Cilley, who is in charge of the county organization work in this state.

The meeting and dinner to be held tonight was planned at the meeting held last week Thursday night, when a number of the business and professional men gathered to meet Howard Hubbell, who is in charge of the Y. M. C. A. work in Florida, and hear him tell of the plans for work in this county.

The general plan is to employ a county Y. M. C. A. secretary who will devote all of his time to the work in Volusia county with the idea of promoting clubs among the students in the schools, directing community mass play among the youth, the establishment of camps and many other activities in which all boys are interested. Mr. Cilley has had much experience in the organization of county units and will be able to tell of the activities and experiences in other communities. All parents of boys should be much interested in the proposition for the employment of a county secretary who will help in solving some of the boy problems of this community.

Dr. Dean Smith of Daytona, recently elected head of the Volusia county preliminary organization, is also expected to be present at the dinner tonight to talk to the men assembled.

DELEGATES NAMED TO STATE W. C. T. U.

At the regular meeting of the local W. C T U held last Monday afternoon delegates were named to attend the state convention to be held in Gainesville Nov. 4th, as follows: Mesdames E. J. Westaff and J. R. Mathews. Mrs B. F. Green will attend the convention as the state secretary for the Loyal Temperance Legion. The next meeting of the W. C. T. U. will be held the first Monday in November with Mrs. C. A. Roach.

George Crane was down from Daytona on business Tuesday.

SUNDAY AFTERNOON CONCERT BY BAND

CORDIAL INVITATION EXTENDED TO EVERYBODY TO ENJOY THE OPEN AIR MUSICAL ENTERTAINMENT.

The first of the regular Sunday afternoon open air concerts by the New Smyrna band will be given next Sunday afternoon, beginning at 4 o'clock, and a cordial invitation is extended to everybody to listen to the concert, which will be given in the bandstand on Canal street.

For some time the band has been planning and working to the object of giving regular open air concerts for the entertainment of the home people and visitors and a canvas has determined that Sunday afternoon will be the most convenient and pleasant time for a majority of the people to enjoy the concert. Consequently, beginning next Sunday the band will give an open air concert each Sunday afternoon, beginning at 4 o'clock, until the first of December. If, by that time, there is a sentiment favoring a change to evening concerts the time will be changed, but if a majority of the people prefer the concerts to be given Sunday afternoons the concerts will be continued at that time.

The length of time these concerts will be continued will depend entirely upon the encouragement and support given by the public. The members of the band are all local business men who are willingly donating their time for practice and preparation in the effort to provide the people of New Smyrna with a form of entertainment during the winter months which can be enjoyed by all classes. So long as there is manifested a spirit of appreciation for these efforts the players are willing to continue these entertainments.

Miss Mary Connor, musical director of the band, has prepared the following program for the first concert next Sunday afternoon:

March, "Home Guards," Southwell.
Sacred Selection, No. 6, Fillmore.
March, "Kahki Bill," Watson.
Sacred Selection, No. 9, Fillmore.
Serenade, "A Night in June," King.
March, "Comique," Hall.
Waltz, "Hearts and Flowers," Tobani-Lake.
"Star Spangled Banner"

COUNTY WOODMEN TO MEET HERE TONIGHT

The regular convention of the Volusia County Woodmen association will be held in New Smyrna tonight and the local members of that society will be hosts to a large number of visitors on this occasion. The attendance wil be larger at this session than at any meeting the association has yet held as a special invitation has been extended to the Woodmen in Brevard county to attend this meeting as the guests of the association. An effort is being made to organize the whole East Coast section into an association of county organizations, but Brevard county has only three camps and they feel they are not strong enough to form a county association. They may decide to join the Volusia county unit.

Visitors will be here tonight from every camp in Volusia county and one of the features of the gathering will be the initiation of a large class of candidates. Refreshments and a social time will follow the initiation ceremonies.

REV. A. B. CRISTY TO BECOME PASTOR HERE

Rev. A. B. Cristy of Painesville, O., has accepted a call to become pastor of the New Smyrna Congregational church, succeeding Rev. R. A. George, who is now pastor in Memphis, Tenn., and the new pastor will arrive here in time to take up his pastoral duties the first of next month, conducting his first services Sunday, Nov. 2.

Draw Heavy Sentences

On the charge of operating an automobile while intoxicated, Morris Wilson and Clarence Goodrich, two Oak Hill boys of good family, have been given road sentences by Justice W. H Newell of New Smyrna, says the DeLand News The boys are reported to have filled up on beef, iron and wine, the labels on the bottles showing the dope contained 20 per cent alcohol, and to have operated their car in a manner dangerous to others as well as to themselves. Wilson was given six months and Goodrich three months on the county road gang, without the option of paying their fines.

PUBLIC SCHOOL NOTES

Report cards will be handed out next Wednesday

The wearing of skull caps has become quite a popular fad with the high school boys during the last few days

Because of dividing the eighth grade the pupils of the sewing class have had to move their class to the library in the south end of the hall

Every pupil in school was asked today to make a contribution for the purpose of erecting a national memorial for our late ex president Theodore Roosevelt

Mrs Victor Newell was confined to her home last Friday with an attack of ptomaine poisoning Mrs G W Marks substituted for her as teacher of the fourth grade

A general cleanup was made in the physics laboratory Thursday Things were pretty well upturned but after the members of the physics class got through things looked pretty nifty

A new bench will soon be placed on the grounds near the tennis court for the use of the tennis fans as soon as the new court is completed The bench was made by Howard Mathews in the manual training department

Corrugated rubber matting has recently been placed on the main line to the auditorium and this makes it much easier to negotiate the ascent

Heretofore it has been quite a task to get up because of the slipperiness

There has been considerable talk in the high school lately about [illegible] school paper to [illegible] monthly A school paper would add much to the spirit of the school [illegible] you are booster [illegible] the movement

The [illegible] all [illegible] practicing daily out [illegible] the field and are planning for a game soon with the railroad boys Judging from the pep the boys are putting into the practice it doesn't look like the railroad boys have much of a show

Herbert Fuller who has been out of school for the last three weeks on account of illness is improving nicely according to reports Herbert has had a tough time of it but it is said he will be with us again in another week

The note books for pupils of the history class arrived last Friday and their arrival has kept the pupils pretty busy catching up with the last month's work From expressions one might judge a majority of the pupils were not very glad to have them arrive

The end of the first month of school comes today with the largest enrollment in the history of the school The enrollment today is 390 as compared with 335 last year at this time The increase in enrollment has been steady each year and if it continues in the future as in the past another building will soon have to be provided

There has been some confusion over the arrangement of the manual training classes because of the large number of boys who desire to take the work but permanent arrangements have now been made Mr Kane will be pretty busy for he will have every period in the day except the first one

Rev William B Hays was added to the faculty this week making a total of 1? Mr Hayes will teach the three Latin classes the botany class and the history class Several changes have been made in the assignments of teachers during the last week re arrangements made necessary by the lack of teachers but it is thought the class assignments made Wednesday will be permanent

There seems to be quite an attraction in the north end of the hall just lately The writer can't say exactly what it is but thinks most any of the other high school boys can tell you about it Whatever it is it seems to be making the boys wear stiff collars and elaborate ties If you really want to know about it ask Chop why he has been so dressed up the last few days He'll tell you all about it

There was quite a bit of applause in the study hall Wednesday when Miss Dorich announced that the faculty would give a Halloween party for the pupils of the high school on Halloween night No definite plans have yet been announced except that it will be held in the school building [illegible] says this is only a plan to keep us out of mischief but we should worry so long as we have a good time and we have already made up our minds to do that

There was quite some excitement under the windows of the domestic science room during the noon hour Tuesday while some of the boys were selling ice cream from the window Yes there was some excitement and it seems the big ones got the ice cream However the proceeds amounted to about $2 which will be turned over to the boys who are building a tennis court in the rear of the building This was merely an experiment but because of the success the boys had they have decided to repeat the experiment twice a week

[illegible] meeting next week

The following program [illegible] prepared for the [illegible] society [illegible] [illegible] November

The Story of a Turret Captain

Promotion in the Navy comes quickly to those who qualify for higher ratings In March 1899 A P Nilsson enlisted in the Navy as an Apprentice Seaman 3rd class In April 1907 he was rated Chief Turret Captain His pay today is $165 76 per month.

A man's life — among men!

Reel them off—"Rio", Gibraltar, Ceylon, Yokohama—all the great ports of the world—are they only places on the map to you—or are they ports where you've gone sailing in from the high seas with every eye along the shore turned admiringly on your big ship—*your* ship! Every ocean has a United States ship sailing for some port worth seeing

If you've any call in you for a full life—join, and color all your years ahead with memories of things worth seeing—with knowledge worth having—with an inexhaustible fund of sea tales and adventures picked up ashore and afloat that will make you a welcome man in any company.

Work?—sure, and a man's work it is, among men.

Play?—well, rather, with a bunch of men who know how to play. These comrades of yours carry in their ears the sounds of great world cities, of booming guns of swashing seas — sounds you will share with them and that will never die away

And when you come home, you'll face life ashore with level eyes—for Uncle Sam trains in *self-reliance* as well as self respect The Navy builds straight men—no mollycoddles

Enlist for two years Excellent opportunities for advancement Four weeks holidays with pay each year Shore leave to see inland sights at ports visited Men always learning Good food and first uniform outfit free Pay begins the day you enlist Get full information from your nearest recruiting station If you do *not know* where the nearest recruiting station is, ask your Postmaster He knows

Shove off! - Join the U.S. Navy
